On September 14, 2000, Verizon-West Virginia (Verizon) filed a petition requesting modification of local access and transport area (LATA) boundaries to provide two-way, non-optional expanded local calling service (ELCS) between the Glenville and Grantsville exchanges; and between the Gassaway and Arnoldsburg exchanges. The requested modification would not affect the current local calling options; instead, the modification would only increase the local calling area.

All filings must reference **File No. NSD-L-00-232** and should be sent to Magalie Roman Salas, Secretary, Federal Communications Commission, TW-A325, 445 12th Street, S.W., Washington, D.C. 20554.
