ERRATUM to Report No. 2450

PETITIONS FOR RECONSIDERATION OF ACTION IN RULEMAKING PROCEEDINGS

On November 7, 2000, the Commission issued the Public Notice for Report No. 2450 listing Petitions for Reconsideration filed in the matter of the Revision of the Commission's Rules to Ensure Compatibility with Enhanced 911 Emergency Calling Systems (Docket No. 94-102). The Public Notice erroneously listed the petition filed by Robert M. Gurss, Attorney for Association of Public-Safety Communications Officials-International, Inc. (APCO), on 09/20/00. The APCO petition filed pursuant to Section 1.106 of the Commission's rules was the subject of a separate public notice released on September 29, 2000 (DA 00-2231), which established the period to file oppositions and reply thereto as October 10, 2000, and October 17, 2000, respectively. Therefore, the APCO petition is hereby removed from the Public Notice for Report No. 2450, published in the Federal Register on November 15, 2000, 65 FR 69014, and no additional time is afforded parties to address the petition.
