REPORT NO: 1302

**CABLE SERVICES BUREAU REGISTRATIONS;
SPECIAL RELIEF AND SHOW CAUSE PETITIONS**

MARCH 2, 2001

Portions of this Public Notice have been produced by the Cable Services Bureau's computer-based Data Management systems. This Public Notice is intended to either list newly registered Community Identifications Numbers, special relief requests, and/or petitions.

This Public Notice lists those filings processed by the Cable Service Bureau as registrations pursuant to §76.1801 of the Commission's Rules. Should any of these registrations contain a request for special relief, such waiver requests will be handled separately through the special relief process. Furthermore, parties seeking special relief are advised that such requests must be initiated through the special relief provisions of §76.7 of the Rules.

This Notice also lists special relief and other filings. Files containing these petitions can be reviewed in the Commissions Reference Information Center, CY-Level, 445 12th Street, SW Washington, DC 20554. The letter code following a CSR Number refers to the particular subject of the petition. Those currently in use are: A – ADI; M – must carry; T – anti-trafficking; E – effective competition; C – retransmission consent; P – program access; R – rate regulation; F – rate freeze; B – buy-out/buy-through; L – commercial leased access; Z – technical; S – significantly viewed; N – nonduplication/syndicated exclusivity/sports deletion; I – tax certificates; D – small system definition; and X – cross ownership. Many of these filings are subject to the pleading cycle rules set forth in §76.7, while others have their own unique pleading cycle.

It is requested that all responses or statements refer to the FCC assigned Community Identification Number; e.g., AL0075.

For further information about this Public Notice contact the Cable Services Bureau at (202) 418-7000.
