MARCH 19, 2001

Portions of this Public Notice have been produced by the Cable Services Bureau's computer-based Data Management systems. This Public Notice is intended to either list newly registered Community Identifications Numbers, special relief requests, and/or petitions.

This Public Notice lists those filings processed by the Cable Service Bureau as registrations pursuant to §76.1801 of the Commission's Rules. Furthermore, parties seeking special relief are advised that such requests must be initiated through the special relief provisions of §76.7 of the Rules.

This Notice also lists special relief and other filings. Files containing these petitions can be reviewed in the Commissions Reference Information Center, CY-Level, 445 12th Street, SW Washington, DC 20554.
