An examination of the above-referenced application finds that the geographic coordinates (33 59 01 N Latitude and 118 25 29.3 W Longitude) of the two new 11.3-meter antennas do not fall within one second of the geographic coordinates (33 59 01 N Latitude and 118 25 26.0 W Longitude) stated in the current license. Thus, DIRECTV Enterprises, Inc. would have to file a new application for the two new antennas. Accordingly, the above-referenced application is hereby dismissed pursuant to Section 25.112(a)(2) of the Commission's Rules.
