ERRATUM

**ExParte Presentations and Post-Reply Comment
Period Filings in Permit-But-Disclose Proceedings**

This erratum corrects the listing of two ex parte presentations that appeared on the Public Notice released on April 25, 2001. The corrections are to the entries listing presentations made by Network Plus, Inc. on April 17, 2001 in Docket No. CC 96-262 and CC 97-146. The Public Notice is corrected to read that the first presentation was made to Ofc. of Cmsr. Furchtgott Roth rather than to the Secretary. The second entry is corrected to read that the presentation was made to Ofc. of Cmsr. Ness rather than Ofc. of Jordan Goldstein.
