## ERRATUM

On September 27, 2001, the Commercial Wireless Division (Division), Wireless Telecommunications Bureau, issued a Public Notice, granting a Joint Motion for Dismissal and Approval of Settlement Agreement filed by Bachow/Coastel, L.L.C. (Coastel) and ALLTEL Illinois Limited Partnership (ALLTEL) on August 22, 2001.<sup>1</sup> In the Public Notice, the Division dismissed various pending applications, petitions for waiver, and requests for Special Temporary Authority to serve areas along the boundary between the Mobile, Alabama Metropolitan Statistical Area and the Gulf of Mexico Service Area. The Public Notice also dismissed all pleadings associated with those filings. The Public Notice, however, inadvertently omitted a petition for reconsideration filed by Coastel on April 24, 2000.<sup>2</sup> Accordingly, we dismiss Coastel's April 24, 2000 petition for reconsideration as well as all corresponding pleadings.

Action by the Deputy Chief, Commercial Wireless Division, Wireless Telecommunications Bureau.
