ENVIRONMENTAL ACTION

The Friends of the Earth and the Forest Conservation Council (Petitioners) jointly filed an Objection and Petitions to Deny Applications File Nos. A0173074 filed by Signal Tower Holding LLC (Signal). On November 2, 2001, Signal Tower Holding LLC (Signal) filed with the Commission a settlement between Signal and the Petitioners. The Petitioners agreed to withdraw the objection and petition to deny. Signal submitted a copy of the settlement agreement and affidavits from both Signal and the Petitioners that consideration was limited to legitimate and prudent expenses. The Commercial Wireless Division, Policy and Rules Branch (Branch) has reviewed the request for withdrawal, settlement agreement and affidavits and finds that it raises no substantial or material questions of fact under Sections 309 of the Communications Act, as amended. 47 U.S.C. §§ 309. The Branch hereby approves the requests for withdrawal, settlement agreement and hereby dismisses the Objection and Petition to Deny in accordance with sections 0.331 and 1.935 of the Commission's rules.¹

Accordingly, the application(s) listed herein for major environmental actions is GRANTED.
