## SAT-STA-20020404-00046

PanAmSat Licensee Corp.

Special Temporary Authority

PanAmSat Licensee Corp. has filed a request for special temporary authority to either modify its existing STA, which permits PanAmSat to downlink signals from the Australia beam on PAS-5 for the purpose of monitoring the performance of the satellite from an earth station located at PanAmSat's teleport in Napa, California, or to be issued a new STA, for the limited purpose of authorizing PanAmSat to make commercial use of the signals that are received by the Napa earth station. PanAmSat is not seeking permission to downlink these signals to any PanAmSat or customer earth station in the United States other than the Napa earth station.
