PRESS STATEMENT OF
COMMISSIONER MICHAEL J. COPPS
ON SENATE CONFIRMATION OF
JONATHAN ADELSTEIN

I am delighted at the Senate's action confirming Jonathan Adelstein to be a Commissioner of the FCC. Jonathan is uncommonly well-versed in the issues and he has a real and abiding commitment to help bring the best communications systems in the world to America's consumers.

I am also happy for the Commission, because we not only get an exceptionally fine new colleague, but we also will be up-and-running at full complement and in the way intended by the statutes that guide us. It's a happy day for me and for the Commission.
