POLICY BRANCH INFORMATION

Satellite Space Applications Accepted for Filing

The applications listed below have been found, upon initial review, to be acceptable for filing. The Commission reserves the right to return any of the applications if, upon further examination, it is determined the application is not in conformance with the Commission's rules or its policies. Petitions, oppositions and other pleadings filed in response to this notice should conform to Section 25.154 of the Commission's rules, unless otherwise noted. 47 C.F.R. § 25.154.

SAT-T/C-20021226-00241 E S2165 Wildblue Communications, Inc.
Transfer of Control
Current Licensee: WB HOLDINGS 1, LLC
FROM: WILDBLUE COMMUNICATIONS, INC.
TO: Wildblue Communications, Inc.

Wildblue Communications, Inc. has filed an application for consent to a transfer of control. Wildblue is the parent company of WB Holdings 1, LLC, a wholly owned subsidiary, which holds authorizations to operate a Ka-band satellite system consisting of two satellites and 10 transmit/receive earth stations that will operate as gateways. (See also File No. SES-T/C-20021226-02209.) The transaction transfers control from one group of shareholders to a different group of shareholders led by Liberty Satellite, LLC, Intelsat USA Sales Corp., and the National Rural Telecommunications Cooperative.

In addition, Wildblue has requested the Commission to specify that this application will be conducted in accordance with the provisions of Section 1.1206 governing permit-but-disclose proceedings. This request is still pending.

Note: Wildblue is also a party to File No. SAT-T/C-20021023-00221. See Public Notice, Report No. SAT-00130 (December 27, 2002).
