ERRATA

Released: February 20, 2003

By the Assistant Division Chief, Telecommunications Access Policy Division, Wireline Competition Bureau:

On February 7, 2003, a Public Notice in CC Docket No. 96-45 (FCC 03J-1) was released seeking comment on certain of the Commission’s rules relating to high-cost universal service support and the eligible telecommunications carrier designation process. This errata corrects the following errors in the released document:

1. In the first sentence of paragraph 36, replace “120” with “90” so the sentence shall read: “Pursuant to sections 1.415 and 1.419 of the Commission’s rules, interested parties may file comments 60 days from publication in the Federal Register, and reply comments 90 days from publication in the Federal Register.”
2. At the end of the text, attach Appendix A, which was inadvertently omitted from the released document.¹
