Report No. SAT-00154

Monday June 30, 2003

POLICY BRANCH INFORMATION

Satellite Space Applications Accepted for Filing

The applications listed below have been found, upon initial review, to be acceptable for filing. The Commission reserves the right to return any of the applications if, upon further examination, it is determined the application is not in conformance with the Commission's rules or its policies. Petitions, oppositions and other pleadings filed in response to this notice should conform to Section 25.154 of the Commission's rules, unless otherwise noted. 47 C.F.R. § 25.154.

SAT-AMD-20030606-00112 P S2150 Final Analysis Communication Services, Inc.
Amendment

Final Analysis Communication Services, Inc. has filed an amendment to its pending modification to its Non-Voice, Non-Geostationary Mobile Satellite system (File No. SAT-MOD-20020329-00245). In this Amendment, Final Analysis clarifies its reasons for requesting an extension of time for construction and launch of its licensed system and provides a proposed schedule of milestones.

Final Analysis proposes to complete construction of its first two satellites in September 2004; to launch its first two satellites in December 2004; and construct and launch the remaining satellites in December 2006.

Commenters should reference File Nos. SAT-MOD-20020329-00245 and SAT-AMD-20030606-00112 on all correspondence regarding on this application.

SAT-MOD-20020329-00245 P S2150 Final Analysis Communication Services, Inc.
Modification

Final Analysis Communication Services, Inc. has filed a Petition for a Waiver of its Milestone. In this petition, Final Analysis seeks an extension of the March 2002 construction completion milestone and the September launch milestones for the first two satellites in its Non-Voice, Non-Geostationary Mobile Satellite system. Final Analysis, has filed an amendment to this request (see File No. SAT-AMD-20030606-00112) which proposes specific milestones.

Commenters should reference File Nos. SAT-MOD-20020329-00245 and SAT-AMD-20030606-00112 on all correspondence regarding on this application.
