ERRATUM

Released: July 30, 2003

By the Chief, Media Bureau

1. Appendix H, “Rule Changes,” of the *Report and Order and Notice of Proposed Rulemaking* (“*R&O/NPRM*”) in the above-captioned proceeding, FCC 03-127, released on July 2, 2003, has been revised as indicated in this Erratum. Section 73.3555(a)(2) of the Commission’s rules (47 C.F.R. § 73.3555(a)(2)), which simply cross-references the definition of radio markets and the counting methodology used to determine compliance in the *R&O/NPRM*, has been deleted in its entirety to comply with Federal Register publication requirements. This change is not substantive in nature. The definition of a local radio market and the method for determining the number of stations that comprise a radio market that were adopted in the *R&O/NPRM* are unchanged from the version as released.

2. This action is taken pursuant to authority delegated by Section 0.291 of the Commission’s Rules, 47 C.F.R. § 0.291.

FEDERAL COMMUNICATIONS COMMISSION

W. Kenneth Ferree
