

**CONCURRING STATEMENT OF
COMMISSIONER MICHAEL J. COPPS**

Re: Infinity Broadcasting Operations, Inc., Licensee of Station WKRK-FM, Detroit, Michigan, Memorandum Opinion and Order

I concur in the decision to reject Infinity's arguments that enforcement of the indecency statutes is unconstitutional. Nonetheless, I continue to believe that the majority's fine of \$27,500 is insufficient and not even a slap on the wrist to Infinity for airing what can only be described as a vulgar and disgusting broadcast.
