

**STATEMENT OF
COMMISSIONER KEVIN J. MARTIN**

*Re: Entercom Seattle License, LLC, Licensee of Station KNDD(FM), Seattle, WA,
Memorandum Opinion and Order*

Consistent with my past statements, I believe we should be fining broadcasters on a “per utterance” basis.¹

¹ See, e.g., Separate Statement of Commissioner Martin, *Infinity Broadcasting Operations, Inc., Licensee of Station WKRK-FM, Detroit, Michigan*, Notice of Apparent Liability, 18 FCC Rcd. 6915, 6939 (2003) (urging the Commission to fine violators “per utterance”).
