ERRATUM TO BROADBAND PCS SPECTRUM AUCTION SCHEDULED FOR JANUARY 12, 2005

CORRECTION TO FORMULAS FOR UPFRONT PAYMENTS AND MINIMUM OPENING BIDS

Report No. AUC-04-58-B (Auction No. 58)

This Public Notice corrects the formulas for the proposed upfront payments and minimum opening bids in the *Auction No. 58 Comment Public Notice*.¹ The formula for proposed upfront payments is \$0.05 per MHz-pop. In the *Auction No. 58 Comment Public Notice*, the formula was expressed as “\$0.05/MHz * License Area Population.” The formula should have been expressed as follows:

$$\$0.05 * \text{MHz} * \text{License Area Population}$$

Similarly, the formulas for proposed minimum opening bids should have been expressed as follows:

Population \geq 2,000,000:	$\$0.50 * \text{MHz} * \text{License Area Population}$
Population \geq 500,000:	$\$0.25 * \text{MHz} * \text{License Area Population}$
Population $<$ 500,000:	$\$0.15 * \text{MHz} * \text{License Area Population}$

The specific proposed upfront payment and minimum opening bid for each license was correct as set forth in Attachment A to the *Auction No. 58 Comment Public Notice*.

For further information concerning this proceeding, contact the Auctions & Spectrum Access Division, Wireless Telecommunications Bureau, as follows: Audrey Bashkin, Auctions Attorney, or Jeff Crooks, Auctions Analyst, at (202) 418-0660; or Lisa Stover, Project Manager, at (717) 338-2888.
