ERRATUM

Released: September 13, 2004

By the Assistant Division Chief, Telecommunications Access Policy Division, Wireline Competition Bureau:

On August 25, 2004, the Wireline Competition Bureau released an Order granting the petitions of NPCR, Inc. d/b/a Nextel Partners (Nextel) to be designated as an eligible telecommunications carrier (ETC) for the requested service areas in Alabama, Florida, Georgia, New York, Pennsylvania, Tennessee, and Virginia, pursuant to section 214(e)(6) of the Communications Act of 1934, as amended (the Act). In

Federal Communications Commission

so doing, the Bureau concluded that Nextel, a commercial mobile radio service (CMRS) carrier, has satisfied the statutory eligibility requirements of section 214(e)(1) to be designated as an ETC.

This erratum corrects the name of the carrier seeking ETC designation in the state of New York. In the Order, the carrier seeking ETC designation in the state of New York is improperly referred to as “NPCR, Inc. d/b/a Nextel Partners.” Instead, the correct name of the carrier seeking ETC designation in the state of New York is “Nextel Partners of Upstate New York, Inc. d/b/a Nextel Partners.” In addition, this erratum corrects certain references to commenters, study areas, and wire centers.

1. “Petition for Designation as an Eligible Telecommunications Carrier in the state of New York” is deleted from the caption. “In the Matter of Federal-State Joint Board on Universal Service Nextel Partners of Upstate New York, Inc. d/b/a Nextel Partners Petition for Designation as an Eligible Telecommunications Carrier in the state of New York” and “CC Docket No. 96-45” are added to the caption.

2. Paragraph 1 is replaced with the following text:

In this Order, we grant the petitions of NPCR, Inc. d/b/a Nextel Partners to be designated as an eligible telecommunications carrier (ETC) for the requested service areas in Alabama, Florida, Georgia, Pennsylvania, Tennessee, and Virginia, and the petition of Nextel Partners of Upstate New York, Inc. d/b/a Nextel Partners for the requested service area in New York pursuant to section 214(e)(6) of the Communications Act of 1934, as amended (the Act). For the purposes of this Order, NPCR, Inc. d/b/a Nextel Partners and Nextel Partners of Upstate New York, Inc. d/b/a Nextel Partners will be collectively referred to as “Nextel.” Accordingly, we conclude that Nextel, a commercial mobile radio service (CMRS) carrier, has satisfied the statutory eligibility requirements of section 214(e)(1) to be designated as an ETC.¹
