On March 22, 2005, the Wireless Telecommunications Bureau released a Public Notice, DA 05-737, in the above-captioned proceeding. This Erratum corrects the formula for the minimum opening bids in the *Auction No. 60 Procedures Public Notice*. The formula used in generating minimum opening bids was expressed as “\$0.0075 * MHz * License Area Population.” The formula should have been expressed as follows:

\$0.01 * MHz * License Area Population with a minimum of \$1,000 per license.

The specific minimum opening bid for each license was correct as set forth in Attachment A to the *Auction No. 60 Procedures Public Notice*.
