The Office of Engineering and Technology Announces Procedures to Provide for Emergency Communications in Areas Impacted by Hurricane Katrina

The Office of Engineering and Technology announces procedures to help emergency communications services resume and maintain operations in the areas impacted by Hurricane Katrina. For additional information, applicants should contact the Office Of Engineering and Technology (OET) staff specified below.

Special Temporary Authority: Such emergency requests for special temporary authority (STA) pursuant to Part 5 of the Commission's rules may be submitted by informal letter or email or, if necessary, by telephone. Applicants also may file requests electronically through the Experimental License Filing System. These requests will be handled as expeditiously as possible.
