**Report No. 325-00107**

**Monday October 3, 2005**

## PERMIT TO DELIVER PROGRAMS TO FOREIGN BROADCAST STATIONS

### RE: ACTIONS TAKEN

The Commission, by its International Bureau, took the following actions pursuant to delegated authority. The effective dates of the actions are the dates specified.

#### INFORMATIVE

##### **325-NEW-20050714-00015**

LATV Holdings, LLC

Granted on September 30, 2005, subject to conditions, application for Section 325 (c) permit to deliver programming to TV station XHRIO, operating on channel 2 in Matamoros, Mexico.

This authorization is predicated on the use of a foreign station assignment, which must abide by the terms of the 1962 United States-Mexico VHF Television Agreement. Hence, this program authorization applies only to the specific foreign station facilities which are currently on file with the Commission as having been officially coordinated by the Secretaria de Comunicaciones y Transportes (SCT) in Mexico and subsequently approved by the Commission for operation. If the transmitter coordinates or technical operating parameters of the foreign station are altered subsequent to this authorization or are found to be different from those currently on file and approved by the Commission, this program authorization will be subject to immediate termination without right to hearing.

Grant of this permit is conditioned upon the Mexican stations operation in full compliance with applicable treaties and related provisions concerning electrical interference to U.S. Broadcast stations.

##### **325-NEW-20050803-00014**

Finest City Broadcasting, LLC

Granted on September 30, 2005, subject to conditions, application for Section 325 (c) permit to deliver programming to XETRA-FM, 91.1 MHz; XHITZ-FM, 90.3 MHz and XHRM-FM, 92.5 MHz. All three FM radio stations are assigned to Tijuana, B.C., Mexico.

This authorization is predicated on the use of a foreign station assignment, which must abide by the terms of the 1992 USA-Mexico FM Broadcast Agreement. Hence, this program authorization applies only to the specific foreign station facilities which are currently on file with the Commission as having been officially coordinated by the Secretaria de Comunicaciones y Transportes (SCT) in Mexico and subsequently approved by the Commission for operation. If the transmitter coordinates or technical operating parameters of the foreign station are altered subsequent to this authorization or are found to be different from those currently on file and approved by the Commission, this program authorization will be subject to immediate termination without right to hearing.

Grant of this permit is conditioned upon the Mexican stations operation in full compliance with applicable treaties and related provisions concerning electrical interference to U.S. Broadcast stations.
