## ERRATUM

### AUCTION OF FM BROADCAST CONSTRUCTION PERMITS

#### 214 Bidders Qualified to Participate in Auction No. 62

##### Report No. AUC-05-62-F (Auction No. 62)

1. In the above-captioned proceeding, on December 21, 2005, the Media Bureau (“MB”) and the Wireless Telecommunications Bureau (“WTB”) (collectively the “Bureaus”) released a public notice (DA 05-3204), which identified the applicants found to be qualified to bid in the upcoming auction for 171 FM broadcast construction permits (“Auction No. 62”).<sup>1</sup> Due to internal administrative delay on the part of the Commission’s lockbox bank in crediting to the Commission’s Auction No. 62 account upfront payments that were timely received at the bank, two applicants who have met the requirements for participation were erroneously listed in the *Qualified Bidders Public Notice* as not qualified to participate in Auction No. 62. This erratum corrects the following:

2. The description of Attachment A to the *Qualified Bidders Public Notice* is changed to read:

**Attachment A** lists each of the 214 qualified bidders, their upfront payments, and their maximum eligibility in bidding units.

3. Attachment A to the *Qualified Bidders Public Notice* omitted the following information on two applicants who have been found to be qualified to participate in Auction No. 62:

FRN	Name	Upfront Payment Received	Maximum Eligibility (Bidding Units)
0013871280	Jose J Garcia Jr.	\$180,000	180,000
0008555310	Katherine Pyeatt	\$20,000	20,000
