SES-STA-20051222-01788 E030055 SkyWave Mobile Communications, Corp.

On December 29, 2005, the Satellite Division granted Mobile Satellite Ventures Subsidiary LLC's request to designate SkyWave Mobile Communications Corp.'s ("SkyWave") earth station application that seeks special temporary authority ("STA") to provide Mobile Satellite Services in the L-band with Inmarsat's 4F2 satellite, to be located at 52.75° W.L., as "permit-but-disclose" for purposes of the Commission's rules governing ex parte communications. See Motion to Designate Proceeding as "Permit-But-Disclose," filed by Mobile Satellite Ventures Subsidiary on December 23, 2005. We find that designating the SkyWave earth station STA application as "permit-but-disclose" will facilitate resolution of the complex policy issues raised by the application. Thus, we designate IBFS File No. SES-STA-20051222-01788 as "permit-but-disclose," effective December 29, 2005. See 47 C.F.R. §§ 1.1200(a), 1.1206 and 1.1208 note 2. This action is without prejudice to any determination regarding the processing of the applications.
