Petition for Declaratory Ruling

Telink Networks SW, LLC ("Telink Networks" or the "Petitioner") requests a declaratory ruling that it is in the public interest to permit the indirect foreign ownership of Telink Networks in excess of the 25 percent benchmark set forth in section 310(b)(4) of the Communications Act of 1934, as amended (the "Act"). This petition is filed in connection with Telink Networks' transfer of control application before the Wireless Telecommunications Bureau. See ULS File No. 0002434645.

According to the petition, Telink Networks is a Nevada limited liability company with two members: Scott Nisbet, a U.S. citizen, and Patrick H. Barringer, a citizen of Canada, which is a World Trade Organization (WTO) Member country. Mr. Nisbet currently holds an 80 percent ownership interest in Telink Networks, and Mr. Barringer holds the remaining 20 percent. Under the proposed transaction, Mr. Nisbet's 80 percent ownership interest in Telink Networks will be transferred to Telink Holdings, a Nevada limited liability company that will be solely owned and controlled by Patrick Barringer.

The Petitioner asserts that, pursuant to the rules and policies established by the Commission's Foreign Participation Order, 12 FCC Rcd 23891 (1997), modified by Order on Reconsideration, 15 FCC Rcd 18158 (2000), the indirect foreign ownership of Telink Networks in excess of the 25 percent benchmark in Section 310(b)(4) of the Act is consistent with the public interest.

Interested parties may file comments on or before March 9, 2006, and reply comments on or before March 16, 2006.
