## **COMMISSIONER MICHAEL COPPS CONGRATULATES CHAIRMAN KEVIN MARTIN ON RENOMINATION TO THE FCC**

I am pleased that the President has renominated Kevin Martin as Chairman of the Federal Communications Commission. Kevin has been both a colleague and a friend since we came to the Commission together in 2001. We work well together. Early on, I learned that Kevin was not only a savvy policymaker but a consensus builder as well. More importantly, I quickly discovered he was a man of his word and an individual of character and integrity. I look forward to continuing to work with him on the many important issues before the Commission.
