## **COMMISSION ANNOUNCES STAFF RECIPIENTS OF FCC EXCELLENCE IN ECONOMICS AWARDS**

Washington - The Federal Communications Commission today announced the names of three FCC employees who are recipients of the fourth annual FCC "Excellence in Economic Analysis" awards.

The award winners are C. Anthony Bush, Paul R. Zimmerman, and Daniel R. Shiman. Bush and Zimmerman are recognized for joint work.

The awards recognize outstanding contributions to economic analysis at the Commission, based on the impact of the contribution on Commission policy and/or its significance for the general base of knowledge in economics or public policy analysis.

The Excellence in Economic Analysis awards are a key part of the Commission's Excellence in Economic Analysis initiative, which also includes expanding staff training opportunities and additional resources for software and other research materials. Up to five awards are given annually and all Commission staff members are eligible for nomination.
