## Wireless Telecommunications Bureau Site-By-Site Accepted for Filing

Because of recent events in Washington, D.C., resulting in the disruption of regular mail delivery and of the processing of other deliveries, the Commission released, on November 29, 2001, an Order temporarily amending certain procedural rules on an emergency basis. See "Implementation of Interim Electronic Filing Procedures for certain Commission filings", FCC 01-345, Order, (rel. November 29, 2001). Certain pleadings must be filed electronically (electronic mail or facsimile), by hand delivery, or by overnight delivery service other than U.S. Postal Service Express and Priority Mail.

Below is a listing of applications, subject to the pre-grant notice and petition procedure of Section 309 of the Communications Act of 1934, as amended, that were accepted for filing.
