Report No. TEL-01089NS

Monday November 20, 2006

NON STREAMLINED INTERNATIONAL APPLICATIONS ACCEPTED FOR FILING

Section 214 Applications (47 C.F.R. § 63.18); Authorize Switched Services over Private Lines (47 C.F.R. § 63.16) and Section 310(b)(4)

Unless otherwise specified, the following procedures apply to the applications listed below:

The applications listed below have been found, upon initial review, to be acceptable for filing. These applications are not subject to the streamlined processing procedures set forth in Section 63.12 of the Commission's rules, 47 C.F.R. § 63.12. These applications shall not be deemed granted until the Commission affirmatively acts upon the application, either by public notice or by written order. Operation for which authorization is sought may not commence except in accordance with any terms or conditions imposed by the Commission.

Unless otherwise specified, interested parties may file comments with respect to these applications within 28 days of the date of this public notice. We request that such comments refer to the application file number shown below. No application listed below shall be granted by the Commission earlier than the day after the date specified in this public notice for the filing of comments.

Unless otherwise specified, ex parte communications between outside parties and Commission staff concerning these applications are permitted subject to the Commission's rules for "permit-but-disclose proceedings." See 47 C.F.R. § 1.1206.

Copies of all applications listed here are available for public inspection in the FCC Reference and Information Center, located in room CY-A257 at the Portals 2 building, 445 12th Street SW, Washington DC 20554. The center can be contacted at (202) 418-0270. People with Disabilities: To request materials in accessible formats for people with disabilities (braille, large print, electronic files, audio format), send an e-mail to fcc504@fcc.gov or call the Consumer & Governmental Affairs Bureau at 202-418-0530 (voice), 202-418-0432 (tty). All applications listed are subject to further consideration and review, and may be returned and/or dismissed if not found to be in accordance with the Commission's rules, regulations, and other requirements.

ISP-AMD-20061116-00016 P

Trident Global Communications LLC

Amendment

Trident Global Communications LLC (Trident) and PetroCom License Corporation (PetroCom) (together, the "Petitioners") amend their petition for declaratory ruling, ISP-PDR-20060919-00012, filed pursuant to Section 310(b)(4) of the Communications Act of 1934, as amended, to request that any ruling issued by the Commission in connection with the Petition also encompass PetroCom's ability to acquire and hold Advanced Wireless Services (AWS) licenses in addition to licenses in the radio services identified in the Petition as originally filed. The Petitioners report that, in the Commission's recently-concluded Auction 66 of AWS licenses, PetroCom was the high bidder for two AWS licenses, see DA 06-2179 (rel. Oct 27, 2006). The Petition, as initially filed, was placed on Public Notice, Report No. TEL-01077NS, rel. Oct. 16, 2006. The Petition requests a determination that the public interest does not prohibit Trident's acquisition of PetroCom given the current level of indirect foreign ownership in Trident by Kactus Investment Corporation, a Cayman Islands Corporation.

Interested parties may file comments on or before December 4, 2006, and reply comments on or before December 11, 2006.

REMINDER:

Applicants must certify that neither the applicant nor any party to the application is subject to a denial of federal benefits by federal and/or state courts under authority granted in 21 U.S.C. § 862. See 47 C.F.R. §§ 1.2001–.2003.

An updated version of Section 63.09-.25 of the rules, and other related sections, is available at <http://www.fcc.gov/ib/pd/pf/telecomrules.html>
