ERRATUM

AUCTION OF FM BROADCAST CONSTRUCTION PERMITS

32 Bidders Qualified to Participate in Auction No. 68

Report No. AUC-07-68-E (Auction No. 68)

1. In the above-captioned proceeding, on December 22, 2006, the Media Bureau (“MB”) and the Wireless Telecommunications Bureau (“WTB”) (collectively the “Bureaus”) released a public notice (DA 06-2552), which identified the applicants found to be qualified to bid in the upcoming auction for nine FM broadcast construction permits (“Auction No. 68”).¹ Due to internal administrative delay on the part of the Commission’s lockbox bank in crediting to the Commission’s Auction No. 68 account upfront payments that were timely received at the bank, an applicant who met the requirements for participation was erroneously listed in the *Qualified Bidders Public Notice* as not qualified to participate in Auction No. 68. This erratum corrects the following:

2. The description of Attachment A to the *Qualified Bidders Public Notice* is changed to read:

Attachment A lists each of the 32 qualified bidders, their upfront payments, and their maximum eligibility in bidding units.

3. Attachment A to the *Qualified Bidders Public Notice* omitted the following information on an applicant who has been found to be qualified to participate in Auction No. 68:

FRN	Name	Upfront Payment Received	Maximum Eligibility (Bidding Units)
0015186158	Radio Diva Inc	\$1,500	1,500

¹ “Auction of FM Broadcast Construction Permits, 31 Bidders Qualified to Bid in Auction No. 68,” *Public Notice*, DA 06-2552 (rel. Dec. 22, 2006) (“*Qualified Bidders Public Notice*”).

4. Attachment B to the *Qualified Bidders Public Notice* is revised to include the following information:

FRN	Name	Bidding Credit Percentage	Waiver Requested
0015186158	Radio Diva Inc		
5 Permits Selected (Bidding Credit Percentage):			
MM-FM416-C1 (35%)	MM-FM453-A (35%)	MM-FM458-A (35%)	MM-FM459-A (35%)
			MM-FM461-A (35%)

5. Attachment C to the *Qualified Bidders Public Notice* is changed to delete Radio Diva Inc. from the list of Non-Qualified Bidders.

Revised copies of Attachments A, B and C to the *Qualified Bidders Public Notice*, correctly listing the applicant as corrected herein will be made available at <http://wireless.fcc.gov/auctions/68> prior to the start of the auction.

The remaining information provided in the *Qualified Bidders Public Notice* (DA 06-2552) remains unchanged.
