The Bureau's weekly Public Notices only provide basic information regarding applications filed and actions taken. The detailed instructions below are intended to guide interested parties in obtaining more detailed information via ULS.

How to view an application listed on this Public Notice via ULS.

- * Note the 10-digit file number listed on the Public Notice;
- * Access the ULS (instructions are on the internet at <http://wireless.fcc.gov/uls>);
- * From the ULS Online Systems Menu in the center of the screen, scroll down to the "Search" section and click on the "Applications" button;
- * Type the application's 10-digit file number into the "File Number:" field on the Application Search screen and click the "Search" button;
- * When the search is completed, the application will be listed by file number on the screen;
- * Click on the file number (in hypertext) to view the application and attachments.

How to find new call signs created as a result of an assignment of authorization.

- * At the bottom of the application display screen, select "History" from the "Application Options" and click on the "Go" button;
- * From the History screen, locate the Application Consented Date, this will be the Grant Date of the new callsign generated as a result of a consummated assignment of authorization;
