April 10, 2007

Texas Communications of Bryan, Inc.
Bryan, Texas

NOTICE OF UNLICENSED OPERATION

Case Number: EB-07-HU-027
Document Number: W20073254005

On March 22, 2007, in response to a complaint of interference, an agent from the Commission's Houston Office of the Enforcement Bureau confirmed by direction finding techniques that radio signals on frequency 153.830 MHz were emanating from your antenna structure, ASR # 1044889, near Caldwell, Texas. During an inspection, you admitted to operating a Part 22 transmitter on 153.830 MHz. The Commission's records show that no license was issued to you for operation of a radio station on 153.830 MHz at this location near Caldwell, Texas.

Radio stations must be licensed by the FCC pursuant to 47 U.S.C. § 301. Although you have a license, call sign KWU276, that license does not authorize transmissions on 153.830 MHz. You are hereby warned that operation of radio transmitting equipment without a valid radio station authorization constitutes a violation of the Federal laws cited above and could subject the operator to severe penalties, including, but not limited to, substantial monetary fines, *in rem* arrest action against the offending radio equipment, and criminal sanctions including imprisonment. (*see* 47 U.S.C. §§ 401, 501, 503 and 510).

UNLICENSED OPERATION OF THIS RADIO STATION MUST BE DISCONTINUED IMMEDIATELY.

You have ten (10) days from the date of this notice to respond with any evidence that you have authority to operate granted by the FCC. Your response should be sent to the address in the letterhead and reference the listed case and document number. Under the Privacy Act of 1974, 5 U.S.C. § 552a(e)(3), we are informing you that the Commission's staff will use all relevant material information before it to determine what, if any, enforcement action is required to ensure your compliance with FCC Rules. This will include any information that you disclose in your reply.

You may contact this office if you have any questions.
