ANTENNA STRUCTURE REGISTRATION SERVICE INFORMATION

Report No. CWS-07-66

August 17, 2007

RE: APPLICATIONS ACCEPTED FOR FILING ENVIRONMENTAL ACTION

After preliminary review, the application(s) for antenna structure registration listed herein for environmental action, pursuant to 47 C.F. R. § 1.1307(a) are ACCEPTED for filing.

Because of recent events in Washington, D.C., resulting in the disruption of regular mail delivery and of the processing of other deliveries, the Commission released, on November 29, 2001, an Order temporarily amending certain procedural rules on an emergency basis. See "Implementation of Interim Electronic Filing Procedures for Certain Commission filings", FCC 01-345, Order, (rel. November 29, 2001). Certain pleadings must be filed electronically (electronic mail or facsimile), by hand delivery, or by overnight delivery service other than U.S. Postal Service Express and Priority Mail.

No Registration for an application to register an antenna structure listed herein will be issued earlier than 31 days after the date of the Public Notice so that the Bureau may address the environmental factors relating to the application(s), pursuant to 47 C.F.R. 17.4(c). Objections to the application(s) based on environmental considerations may be filed no later than 30 days from the date of this Public Notice. Opposition to objections may be filed no later than 10 days after the original objection is filed. Responses to the opposition may be filed no later than 5 days after the time for filing an opposition has expired.
