Chairman Martin Applauds Nomination of Neil Patel as Assistant Secretary for Communications and Information at the U.S. Department of Commerce

Washington, DC – Today, Federal Communications Chairman Kevin Martin applauded the nomination of Neil Patel as Assistant Secretary for Communications and Information at the U.S. Department of Commerce.

“Neil Patel has been a dedicated public servant whom I have known for the past seven years. I am pleased someone of Neil’s caliber is filling this position at NTIA at such a crucial time. Neil’s extensive experience with technology and telecommunications issues will immediately help advance NTIA’s goals and ultimately benefit consumers across multimedia platforms. I look forward to working with Neil on a broad range of issues, and especially as we prepare the country for the transition to digital.”
