The Commission will hear from expert panelists regarding broadband network management practices and Internet-related issues. The hearing scheduled at Stanford University is the second such hearing on broadband network management practices and Internet-related issues to be held by the FCC and follows a similar hearing held at Harvard Law School last month (for more information: <http://www.fcc.gov/headlines.html> - go to February 25, 2008 headline: 'FCC *En Banc* Hearing on Broadband Network Management Practices, Cambridge, Massachusetts'). The hearing at Stanford University is open to the public, and seating will be available on a first-come, first-served basis. Additional details on this hearing will be forthcoming.

The public may file comments or other documents with the Commission and should reference docket numbers 07-52 and 08-7 when filing by paper or submit your filing electronically by going to http://gullfoss2.fcc.gov/prod/ecfs/upload_v2.cgi and enter proceeding numbers 07-52 and 08-7. Filing instructions are provided at <http://www.fcc.gov/cgb/ecfs/>.

Sign language interpreters and open captioning will be provided for this event. Other reasonable accommodations for people with disabilities are available upon request. Include a description of the accommodation needed, and include a way we can contact you if we need more information. Please make your request as early as possible.
