The FCC identified target television markets for specific DTV outreach, including all those markets in which more than 100,000 households or at least 15% of the households rely solely on over-the-air signals for television reception. Commissioner Adelstein has traveled across the country, talking to the American people about the benefits and challenges of the DTV transition.

Reasonable accommodations for people with disabilities are available upon request. Include a description of the accommodation you will need with as much detail as possible. Also include a way we can contact you if we need more information. Please provide as much advance notice as possible; last minute requests will be accepted, but may be impossible to fill. Send an e-mail to [fcc504@fcc.gov](mailto:fcc504@fcc.gov) or call the Consumer & Governmental Affairs Bureau at 202-418-0530 (voice), 202-418-0432 (TTY).
