STATEMENT OF ACTING CHAIRMAN MICHAEL J. COPPS ON THE NOMINATION OF JULIUS GENACHOWSKI TO BE THE CHAIRMAN OF THE FCC

President Obama has made an excellent choice in announcing his intent to nominate Julius Genachowski to be the next Chairman of the FCC. Julius has the knowledge, experience and dedication to lead this Agency forward as we tackle the many challenges confronting the country – and the Commission. I look forward to the prospect of working with him on a communications agenda focused on serving consumers and the public interest. He will find here a talented and energized team of public servants committed to precisely this goal. I wish him a successful Senate confirmation.
