Special Temporary Authority

Date Effective:

Granted

Uniradio Corporation's May 18, 2009, request for special temporary authority (STA) (325-STA-20090514-00002) under Section 325 (c) and 309 (f) of the Communications Act, to continue delivering Spanish language broadcasts of San Diego Padres baseball games and associated pre- and post-game shows to AM station XEMO in Tijuana, Mexico, is hereby granted subject to conditions that include but are not limited to the following. This grant is effective June 11, 2009 for the period during which the Commission is processing Uniradio's application for regular authority or 180 days, whichever comes first. Grant of this STA Permit is further conditioned upon the Mexican station's operation in full compliance with applicable treaties and related provisions concerning electrical interference to U.S. broadcast stations.

This authorization is predicated on the use of a foreign station assignment, which must abide by the terms of the 1992 USA-Mexico AM Expanded Band Broadcast Agreement. Hence, this program authorization applies only to the specific foreign station facilities which are currently on file with the Commission as having been officially coordinated by the Secretaria de Comunicaciones y Transportes (SCT) in Mexico and subsequently approved by the Commission for operation. If the transmitter coordinates or technical operating parameters of the foreign station are altered subsequent to this authorization or are found to be different from those currently on file and approved by the Commission, this program authorization will be subject to immediate termination without right to hearing.
