ACTING CHAIRMAN COPPS CONGRATULATES MEREDITH ATTWELL BAKER AND MIGNON L. CLYBURN ON THEIR NOMINATIONS TO THE COMMISSION

I am so pleased that with today's nominations we can begin to look forward to a fully-constituted FCC. With all the communications challenges confronting the Commission, I am looking forward to having the benefit of all the talents that five members can bring to our work. These nominees will get us there.

I had the opportunity to work with Meredith Baker while she led NTIA and I quickly came to appreciate her intelligence, dedication and collegiality. If confirmed, she will bring a wealth of experience and credibility with her. She is an excellent choice for the job.

Now that Mignon Clyburn's nomination is official, I will say again what a superb selection she is. Her years on the South Carolina Public Service Commission, coupled with experience in the world of media, will be tremendously helpful to her—and to her colleagues—at the FCC. She will be a great asset to the FCC and a pleasure to work with.

I wish both Meredith and Mignon well as they navigate the confirmation process.
