COMMISSIONER ADELSTEIN CONGRATULATES JULIUS GENACHOWSKI ON HIS SENATE CONFIRMATION

Washington, D.C. – In response to the announcement of Julius Genachowski’s confirmation by U.S. Senate, Commissioner Jonathan S. Adelstein made the following statement:

“I congratulate Julius on being confirmed by the Senate to be the next Chairman of the Federal Communications Commission. Julius brings exceptional leadership, intelligence and extensive public and private sector experience that will serve this agency and the public well. This is a pivotal time for our country and for this agency. I’m confident that Julius, with his strong strategic vision, is the right person to tackle the ongoing broadband and media challenges we face, and the right person to guide the communications policies so badly needed to propel the U.S. forward as a global competitor.”
