INFORMATIVE

SES-MOD-20090813-00997 E980179 SkyTerra Subsidiary LLC

On August 21, 2009, the Satellite Division, on its own motion, designated the SkyTerra Subsidiary LLC applications listed above to modify its authority to operate its current and future mobile satellite service systems using certain frequencies in the L-band as "permit-but-disclose" for purposes of the Commission's rules governing ex parte communications. We find that designating these proceedings as "permit-but-disclose" will facilitate resolution of the complex policy issues raised by the applications. Thus, we designate IBFS File Nos. SAT-MOD-20090813-00088, SAT-MOD-20090813-00089, and SES-MOD-20090813-00997 as "permit-but-disclose," effective August 21, 2009. See 47 C.F.R. §§ 1.1200(a), 1.1206 and 1.1208 note 2. This action is without prejudice to any determination regarding the processing of these applications.
