Washington, D.C. – Federal Communications Commission (FCC) Chairman Julius Genachowski announced that the following item will be on the tentative agenda for the next open meeting scheduled for Tuesday, September 29, 2009:

- **Omnibus Broadband Initiative (OBI) Presentation:** Commission staff will report on the status of the National Broadband Plan, which the FCC must deliver to Congress on Feb. 17, 2010. The presentation will include a review of the testimony from participants at the August and September staff workshops, comments received from the public, and staff research and analysis.

Topics selected for FCC open meeting agendas will be posted on the Commission's website approximately three weeks prior to the Commission's next monthly meeting.
