On September 11, 2009, the Media Bureau released the *Report and Order* (DA 09-2037) in the above-captioned proceeding. This Erratum corrects footnote 2 to read, in its entirety:

As an interim measure, the Commission granted CBS Stations Group's request for special temporary authority for KTVT(TV) to operate on post-transition digital channel 11, while simultaneously operating on channel 19, its pre-transition digital channel. *See* FCC File No. BDSTA-20090716ADK (granted July 23, 2009). In addition, the Commission granted KTXA L.P.'s request for special temporary authority to discontinue operation on digital post-transition channel 19 and instead temporarily operate on channel 18 as its post-transition digital channel. *See* FCC File No. BDSTA-20090716ADJ (granted July 23, 2009).
