**INFORMATIVE**

**SES-MOD-20090429-00536** E980179 SkyTerra Subsidiary LLC

**INFORMATIVE**

On October 15, 2009, the Satellite Division granted the motion of SkyTerra Subsidiary LLC to designate the following applications to modify SkyTerra's authority to operate its current and future mobile satellite service systems using certain frequencies in the L-band as "permit-but-disclose" for purposes of the Commission's rules governing ex parte communications, effective October 15, 2009: IBFS File Nos. SAT-MOD-20090429-00046, SAT-MOD-20090429-00047, and SES-MOD-20090429-00536. See 47 C.F.R. §§ 1.1200(a), 1.1206 and 1.1208 note 2. We find that designating these proceedings as "permit-but-disclose" will facilitate resolution of the complex policy issues raised by the applications. This action is without prejudice to any determination regarding the processing of these applications.
