ERRATUM

PUBLIC SAFETY AND HOMELAND SECURITY BUREAU SEEKS TO REFRESH THE RECORD REGARDING SERVICE RULES FOR WIRELESS ENHANCED 911 PHASE II LOCATION ACCURACY AND RELIABILITY

PS Docket No. 07-114

Comment Date: November 20, 2009

Reply Comment Date: December 4, 2009

On November 6, 2009, the Public Safety and Homeland Security Bureau released a *Public Notice*, DA 09-2397, in the above-captioned proceeding. This *Erratum* corrects the Public Notice as indicated below:

The following paragraph should be added before the last paragraph on page 4 and should read as follows:

“This document contains proposed new information collection requirements. The Commission, as part of its continuing effort to reduce paperwork burdens, invites the general public and the Office of Management and Budget (OMB) to comment on the information collection requirements contained in this document as required by the Paperwork Reduction Act of 1995, Public Law 104-13. In addition, the Commission notes that pursuant to the Small Business Paperwork Relief Act of 2002, Public Law 107-198, see 44 U.S.C. 3506(c)(4), we previously sought specific comment on how the Commission might ‘further reduce the information collection burden for small business concerns with fewer than 25 employees.’”
