Dear Chairman Genachowski:

I write on behalf of the County of Morris in my Congressional District. In May of 2008 Morris County's Department of Law and Public Safety requested a waiver to operate a new public safety paging facility on 476.2875 MHz.

It has been well over a year since the waiver request was filed, and the Public Comment Period ended on December 15, 2008.

Attached, please find a copy of a letter I sent to your predecessor, FCC Chairman Kevin Martin, in December of 2008, in support of the Morris County government's request.

Thank you in advance for your assistance.

Sincerely,

Rodney P. Frelinghuysen
