**ERRATUM**

**Released: April 14, 2010**

By the Chief, Investigations and Hearings Division, Enforcement Bureau:

On April 1, 2010, the Enforcement Bureau released a Notice of Apparent Liability for Forfeiture, DA No. 10-586, in the above-captioned proceeding. This Erratum corrects footnote 31 on page 4 to read as follows:

*“See, e.g., *Chesterman Communications*, 24 FCC Rcd at 2932 ¶ 6 (assessing \$9,000 forfeiture for public file rule violation and finding that inadvertence, including failure to discover deficiencies through alternative inspection program by state broadcasters’ association, does not excuse licensee from liability).”*
