## FCC ANNOUNCES TENTATIVE AGENDA FOR JULY 15<sup>th</sup> OPEN MEETING

Washington, D.C. -- Today, Federal Communications Commission Chairman Julius Genachowski announced that the following items will be on the tentative agenda for the next open meeting scheduled for Thursday, July 15, 2010:

- **Rural Health Care Reform NPRM:** A Notice of Proposed Rulemaking initiating reforms to the Universal Service Rural Health Care Fund to expand the reach and use of broadband connectivity by health care providers throughout the nation.
- **Spectrum Flexibility NPRM and NOI:** A Notice of Proposed Rulemaking and Notice of Inquiry seeking comment on ways to encourage investment in terrestrial broadband services within spectrum allocated to mobile satellite services, while maintaining robust mobile satellite capability.
- **Electronic Tariff Filing NPRM:** A Notice of Proposed Rulemaking seeking comment on streamlining the tariff filing and formatting process by transitioning from paper to electronic filing to reduce industry burden and promote an open, transparent, and efficient flow of information.

Topics selected for FCC open meeting agendas are posted on the Commission's website approximately three weeks prior to the Commission's next monthly meeting. The Commission will also issue a public notice of the "Commission Meeting Agenda" one week before the meeting and announce at that time the items that are scheduled for the agenda.

Commission meetings are open to the public, who can attend in person at the FCC headquarters (445 12th Street SW, Washington, D.C.), or watch the live stream at [www.fcc.gov/live](http://www.fcc.gov/live).
