Seek Comment on Accessible Mobile Phone Options for

On July 19, 2010, the Wireless Telecommunications Bureau and Consumer and Governmental Affairs Bureau released a Public Notice, DA 10-1324, in the above captioned proceeding. This Erratum corrects that Public Notice as follows:

1. On the first page, between the caption and the Comment Date, add a new line with the following: **“CG Docket No. 10-145”**.
2. On the second page, in the paragraph beginning “Pursuant to sections...”, add “in **CG Docket No. 10-145**” after “may file comments.” Then, add a footnote reference after “**10-145**”, with the resulting footnote reading as follows: “This Public Notice is being released under a new docket number, **CG Docket No. 10-145**, which shall be captioned “Accessible Mobile Phone Options for People who are Blind, Deaf-blind, or Have Low Vision,” and include all related matters. This new docket number is established to further administrative efficiency.”
