FEDERAL COMMUNICATIONS COMMISSION  
WASHINGTON

June 30, 2010

The Honorable John D. Rockefeller  
Chairman  
Committee on Commerce, Science and Transportation  
United States Senate  
254 Russell Senate Office Building  
Washington, D.C. 20510

Dear Chairman Rockefeller:

In light of the interest you previously have expressed on the subject of special access rates and related issues, I wanted to call to your attention a workshop the Commission will hold on July 19, 2010 to discuss the analytical framework the FCC should use to assess the effectiveness of its existing special access rules. This workshop, which addresses a recommendation set forth in the National Broadband Plan, will initiate an evaluation of the analytical framework proposals raised in the record of the Commission's special access proceeding and any associated data collection that would be required to implement such proposals.

Additional details on the workshop are set forth in the attached public notice, and additional logistical details will be released in the near future.

Please do not hesitate to contact me if I can be of any further assistance.

Sincerely,

A handwritten signature in black ink, appearing to read "J. Genachowski".
