FCC RELEASES LATEST COMMON CARRIER STATISTICS REPORT

Washington, D.C. - Since 1939, the FCC has published the *Statistics of Communications Common Carriers*, a reference work widely used by academics, consultants, and other researchers in the field of telecommunications. This report includes a wealth of data on telecommunications costs, revenues, prices, and usage.

The latest version is available now free of charge at www.fcc.gov/wcb/stats. Bound printed versions can be purchased from the U.S. Government Printing Office, normally about two months after this release.

The 250-page volume is divided into the following five sections:

- Part 1 contains general information on industry structure.
- Part 2 contains financial and operating data relating to telephone carriers.
- Part 3 contains data on international communications.
- Part 4 contains historical financial and operating statistics.
- Part 5 contains data on industry trends.

The full report is available for public inspection and copying during regular business hours at the FCC Reference Information Center, Portals II, 445 12th Street SW, Room CY-A257, Washington, DC 20554. This report may be purchased from the Commission's duplicating contractor, Best Copy and Printing, Inc., Portals II, 445 12th Street SW, Room CY-B402, Washington, DC 20554, telephone 800-378-3160 or via their website at www.bcpweb.com.
